

Kevin Bost

Kevin has worked in the livestock and meat industry for nearly 40 years, focusing on livestock and meat markets, price risk management, and supply chain solutions for restaurant companies, supermarket chains, meat processors, and livestock producers. A graduate of the University of Arkansas and the University of Illinois with degrees in Agricultural Economics, he has been a commodities trader, an economist for the U.S. Department of Agriculture, served as Director of Procurement Strategy for Topco Associates, and Director of Supply Chain Management for Wendy's International. For the past 14 years he has been proprietor of Procurement Strategies Inc., an analytical and supply chain consulting business located in Elgin, Illinois, a suburb of Chicago.
