

Agricultural Outlook Forum Panel Session

Connectivity in Rural America

Moderated by: Jacki Ponti-Lazaruk, USDA, RD Chief
Innovation Officer

An aerial photograph of a suburban neighborhood during sunrise. The scene is bathed in a warm, golden light from the sun, which is low on the horizon, creating a hazy atmosphere. The houses are mostly two-story structures with dark roofs and light-colored siding. A winding road curves through the neighborhood. The trees are in various stages of autumn, with some showing vibrant red and orange foliage. The overall mood is peaceful and serene.

e-Connectivity is
crucial to
the quality of life in rural America
