Editor's Note: This volume continues the new format of reporting Administrative Law Judge orders involving non-precedent matters [Default Orders] with the sparse case citation but without the body of the order. Default Orders (if any) issued by the Judicial Officer will continue to be reported here in full context. The parties in the case will still be reported in Part IV (List of Decisions Reported – Alphabetical Index). Also, the full text of these cases will continue to be posted in a timely manner at: <https://oalj.oha.usda.gov/current>].
