Officials from the Departments of Agriculture, Health and Human Services, State, and Commerce, the Environmental Protection Agency, and the Office of the U.S. Trade Representative participate on the United States Codex Steering Committees.

**Policy Committee**

**Charge:** Through a process of consensus, the committee will:
- Address broad policy issues, such as the appropriate overall strategies the U.S. should pursue in the Codex process
- Provide guidance, based on sound science, to U.S. Codex Delegates and U.S. Codex Office on issues that have widespread implications on regulatory and trade policies
- Address issues of process, including policies and approaches that continue to assure transparency, within Codex, both nationally and internationally
- Be available to address issues that are referred by the Senior-level Technical Committee for Codex

**Meetings:** Twice a year, and as scheduled if significant policy issues regarding Codex arise.

**Members:** Senior officials responsible for broad policy decisions within a department or agency.

Technical Committee

Charge: Through a process of consensus, the committee will:

- Provide guidance to the U.S. Delegations to Codex Committees and to the U.S. Codex Office
- Identify cross-cutting issues, especially those that involve several delegations or agencies or on issues on which two or more Codex committees have differing viewpoints, and resolve such issues or bring them to the attention of the Policy Committee
- Address any issues brought to it by U.S. Delegates to Codex committees, by the U.S. Codex Office, or by U.S. government agencies
- Identify lead and secondary agencies for involvement in each Codex committee and approve selections of U.S. Delegates and Alternate Delegates
- Guide the long-term implementation of the U.S. Codex Strategic Plan

Meetings: Quarterly and as scheduled if significant issues regarding Codex arise.

Members: Officials with broad responsibility for implementing food regulatory and trade programs, representing agencies with direct Codex involvement.
