FAR Class Deviation to Implement an Act to Enhance Whistleblower Protection for Contractor Employees

1. PURPOSE

This deviation is issued in accordance with Federal Acquisition Regulation (FAR) 1.404 to implement 41 U.S.C. 4712 (as amended by Public Law 114-261) to make permanent the 4-year pilot program and to clarify the use of certain Whistleblower Protection clauses under FAR 3.908.

2. BACKGROUND

The current coverage in the FAR states that when the 4-year pilot (41 U.S.C. 4712) expires (January 2, 2017), the previous whistleblower coverage is back in effect. However, 41 U.S.C. 4712 (as amended by Public Law 114-261 dated December 14, 2016) made the permanent the 4-year pilot program, prior to its expiration.

In addition, GAO Report 17-227, Contractor Whistleblower Protections Pilot Program-Improvements Needed to Ensure Effective Implementation, noted confusion in the use of FAR clauses 52.203-17 (inserted in solicitations and contracts for noncommercial items) and 52.212-4(r) (inserted in solicitations and contracts for commercial items). FAR case 2017-005, which will amend the FAR to make the 4-year pilot program permanent, is currently being processed.

The Chair of the Civilian Agency Acquisition Council (CAAC) issued CAAC Letter 2017-02 authorizing civilian agencies to issue a class deviation pending amendment of the FAR. Additionally, Public Law 114-261 requires that “At the time of any major modification to a contract that was awarded before the date of the enactment of this Act [December 14, 2016], the head of the contracting agency shall make best efforts to include in the contract a contract clause providing for the applicability of the amendments made by this section...” Therefore, it has been determined that the issuance of this class deviation is authorized and the actions required herein are necessary to implement 41 U.S.C. 4712 (as amended by Public Law 114-261) to make permanent the 4-year pilot programs and to clarify the use of certain Whistleblower Protection clauses (see aforementioned GAO report).

4. **DESCRIPTION of the DEVIATION**

The attached deviation amends the FAR as follows:

a) Revises FAR 3.900 to show that paragraph (a) is not in effect, and that paragraph (b) is in effect.
b) Revises FAR 3.908-9 to clarify that FAR clause 52.203-17 is to be included, as prescribed, in both noncommercial and commercial solicitations and resultant contracts.
c) Removes the whistleblower protections of 41 U.S.C. 4712 listed in paragraph (r) of FAR clause 52.212-4.
d) Lists the FAR clause 52.203-17 in FAR clause 52.212-5.
e) Revises the FAR clause matrix to show an “A” (“required when applicable”) for FAR clause 52.203-17 for commercial items.

**Note:** Coverage of 10 U.S.C. 2409 will remain in FAR clause 52.212-4(r) to cover DoD. Only 41 U.S.C. 4712 is being moved to FAR clause 52.212-5 because it is associated with FAR clause 52.203-17.

5. **REQUIRED ACTIONS**

Contracting officers **shall** take the following immediate steps:

a) Use the text (including the revised FAR clauses and the FAR solicitations provisions/contract clauses matrix) provided in Attachment A of this deviation.
b) Modify existing noncommercial contracts awarded since January 2, 2017, to include FAR clause 52.203-17, if the contract exceeds the simplified acquisition threshold and has a year or more of performance left.
c) Amend solicitations for noncommercial items issued since January 2, 2017, for which an award has not yet been made to include FAR clause 52.203-17, if the resultant contract is anticipated to exceed the simplified acquisition threshold.

6. **EFFECTIVE DATE:** Upon issuance.

7. **EXPIRATION DATE:** Until superseded, incorporated in the FAR or otherwise rescinded.

8. **ADDITIONAL INFORMATION:** If you have any questions or comments regarding this deviation, please send an email to procurement.policy@usda.gov.
