

## United States Department of Agriculture (USDA) FY 2017 Service Contract Inventory Planned Analysis

USDA will evaluate the 11 Product Service Codes listed in the chart below. The analysis will evaluate the following: B599 Special Studies/Analysis-Cost Benefit, D302 IT and Telecommunications System Development, D307 IT and Telecommunications Strategy and Architecture, D310 IT and Telecon-Cyber Security and Data Backup, D314 IT and Telecon-Systems Acquisition Support, D399 IT and Telecommunications, R406 Support-Professional: Policy Review/Development, R408 Support-Professional: Program Management/Support, R425 Support-Professional: Engineering/Technical, R497 Support-Professional: Personal Service Contract, and R499 Support- Professional: Other.

Product Services Codes D302, D307 and R408 are identified by Office of Management and Budget for heightened management consideration, based on concerns of increased risk of losing control of mission and operations, as identified through a review of reports issued at the Government Accountability Office, the Commission on Wartime Contracting, agency Inspector General, Congressional Committees, the Acquisition Law Advisory Panel and OMB analysis. Product Services Codes B599, D310, D314, D399, R406, R425, R497 and R499 are identified by USDA based on capital expenditure totals and the correlation to contactor dependency.

USDA will evaluate these Product Service Codes to determine whether the agency should consider an increased risk of losing control of mission and operations as identified through USDA internal analysis.
