Dear Tribal Leader:

On behalf of the Secretary, you are cordially invited to two upcoming listening sessions on the Supplemental Nutrition Assistance Program (SNAP). The first will cover an introduction to SNAP, an overview of SNAP-Ed and SNAP Employment & Training (E&T), and any other topics attendees wish to discuss. The second will provide an overview of several SNAP rules. This listening session is not a consultation, but rather meant to inform Indian Country on rules that are forthcoming, and answer any questions.

Please register for either listening session using the two links below. Registering will allow us to send you presentations and resources before the session. You are welcome to bring program leadership and staff from your nation to attend.
