	1. I AGREE upon successful completion of the USDA Procurement Trainee Program			
	(PTP), I will serve in the U.S. Department of Agriculture (hereafter, the USDA;			
	inclusive of its component agencies) for a period of at least 36 months. I			
	understand that for purposes of this agreement, I will be required to perform			
INITIALS	the service within the USDA, and that the requirement will not be transferred to			
INITIALS	another Federal Agency or other branch of the Government. I understand that if			
	I leave the PTP prior to graduation, and remain with the USDA, my period of			
	obligated service will begin the day after I leave the program and the obligated			
	service period will be pro-rated based on the percentage of training completed.			
	2. Period of Obligated Service (MM/DD/YYYY):

	materials, books, equipment, indirect costs and travel related expenses paid in			
	connection with my training. The amount of the reimbursement will be reduced			
INITIALS	on a daily pro rata basis for the percentage of completion of obligated service.			
	(For example, if the cost of the training is determined to be \$50,000 and I			
	complete one-half of the obligated service, I will reimburse the USDA \$25,000			
	instead of the entire, original amount, \$50,000). This debt is due and owed			
	immediately after I separate from the USDA.			
	4. I also understand and AGREE if I separate from the USDA prior to program			
	completion, and do not complete the period of service agreed to in items #1 and

	equipment, indirect costs and travel related expenses paid in connection with
