

Industrial Hemp Consultation

Agenda

VIRTUAL

Tuesday, September 24, 2020
12:00 pm – 4:00 pm Eastern Time

12:00 – 12:25 PM **Welcome, Introductions, and Opening Prayer**

12:25 – 12:45 PM **Overview of 2018 Farm Bill Hemp Regulations/Interim Final Rule**

The reopening of the public comment period allows stakeholders to provide AMS with further insight gained from the 2020 hemp growing season. AMS is interested in this additional input for all aspects of the U.S. domestic hemp production program, and particularly interested in comments on the following topics:

- 1: Measurement of Uncertainty for Sampling
- 2: Liquid Chromatography Factor, 0.877
- 3: Disposal and Remediation of Non-Compliant Plants
- 4: Negligence
- 5: Interstate Commerce
- 6: 15-day Harvest Window
- 7: Hemp seedlings, microgreens, and clones
- 8: Hemp breeding and research
- 9: Sampling Methodology – Flower vs. Whole Plant
- 10: Sampling Methodology – Homogenous Composition, Frequency, and Volume
- 11: Sampling Agents
12. DEA Laboratory Registration

12:45 – 3:50 PM **Discussion Topics, Questions and Feedback from Tribal Leaders**

3:50 – 4:00 PM **Next Steps, Close Out, and Closing Prayer**
