Organic Certification Cost Share Program

Introduction

The U.S. Department of Agriculture (USDA) Organic Certification Cost Share Program (OCCSP), administered by the Farm Service Agency (FSA), provides organic producers and handlers with financial assistance to reduce the cost of organic certification. The program reimburses producers and handlers for a portion of their paid certification costs. Once certified, organic producers and handlers are eligible to receive reimbursement for 75 percent of certification costs for program years 2025 and 2026, up to a maximum of \$750 per certification scope—crops, livestock, wild crops, handling, and State Organic Program fees.

Who is Eligible?

Certified organic producers and handlers who have paid certification fees during the 2025 and 2026 program years may apply for reimbursement of the incurred costs.

Program Year	Covers expenses paid from ...	The application deadline is ...*
2025	Oct. 1, 2024 through Sept. 30, 2025	Dec. 31, 2026
2026	Oct 1, 2025 through Sept 30, 2026	Dec. 31, 2026

**OCCSP funds are limited and applications are paid on a first-come, first-served basis. Applications received after all funds are obligated will not be paid.*

Is Certification Required to Participate?

Yes. Organic certification cost share funds are only available to certified organic producers and handlers. Certification must be provided by a **USDA-accredited certifying agent**. If your operation is not currently certified organic and you would like to learn more about the certification process, please visit www.fsa.usda.gov/occsp.

What Costs are Reimbursable?

Eligible costs include application fees, inspection costs, fees related to equivalency agreement/arrangement requirements, travel/per diem for inspectors, user fees, sales assessments, and postage.

What Costs are Not Reimbursable?

Ineligible costs include equipment, materials, supplies, transitional certification fees, late fees, and inspections necessary to address National Organic Program regulatory violations.

What is the Maximum Reimbursement Amount?

The maximum per certification scope (crops, livestock, wild crops, handling, or State Organic Program fees) is \$750.

How Do I Apply for a Reimbursement

You may apply to a participating state agency according to their deadlines, or you may apply directly at your local FSA county office. Applicants must typically submit a one-page application form, W-9 tax form (to participating state agencies), proof of certification and an itemized invoice of certification expenses.
