LEP Requirements

Title VI and its implementing regulations, Executive Order 13166, and Federal agency Guidance require Federal agencies and recipients (State agencies, local agencies, or other subrecipients), to take reasonable steps to ensure “meaningful” access to their programs and activities by Limited English Proficient (LEP) persons.

(FNS Instruction 113-1, Section VII)

Who are persons with Limited English Proficiency (LEP)?

What is Meaningful Access?

Meaningful access is accomplished by providing reasonable, timely, appropriate, competent/qualified, accurate, and effective language services to individuals with LEP when accessing recipient programs and activities.

LEP Requirements

Factors to consider in addressing LEP:

- Number or proportion of LEP persons served or encountered in the eligible population.
- Frequency with which LEP individuals come in contact with the program.
