SUBJECT: SFMNP Policy Memorandum #2026-1: Publication of 2026-2027 Senior Farmers' Market Nutrition Program (SFMNP) Income Eligibility Guidelines

TO: Regional Directors
Special Nutrition Programs
SFMNP State Agency Directors
All State Agencies

This policy memorandum transmits the 2026-2027 Income Eligibility Guidelines (IEGs) for the Senior Farmers' Market Nutrition Program (SFMNP).

Income eligibility for the SFMNP is determined using income standards as prescribed under 7 CFR 249.6(a)(3) of the SFMNP regulations. The income limit is 185 percent of the Federal poverty guidelines (FPGs), as adjusted. Guidelines are revised annually to reflect changes in the Consumer Price Index. The annual FPG revision for 2026 was published by the Department of Health and Human Services (HHS) at 91 FR 1797, on January 15, 2026.

SFMNP State agencies are encouraged to implement the updated IEGs as soon as practicable to ensure that participants will be certified for the upcoming season using the 2026-2027 SFMNP IEGs. State agencies must implement the revised WIC IEGs no later than July 1, 2026.

Guidance documents lack the force and effect of law, unless expressly authorized by statute or incorporated into a contract. USDA may not cite, use, or rely on any guidance that is not available through their guidance portal, except to establish historical facts.

A supplemental chart is attached for SFMNP State agencies to use in determining the annual, monthly, twice-monthly, bi-weekly, and weekly income limits. There is also a chart for families greater than eight. In addition to the 185 percent SFMNP income limit, the attached charts reference the Commodity Supplemental Food Program (CSFP) maximum income eligibility level of 150 percent of the FPGs for those SFMNP State agencies that choose to coordinate services to seniors with CSFP.
