SUBJECT: Supplemental Nutrition Assistance Program (SNAP) – Fiscal Year (FY) 2013 Cost-of-Living Adjustments (COLAS)

TO: All Regional Directors
Supplemental Nutrition Assistance Program

Attached are the fiscal year (FY) 2013 Cost-of-Living Adjustments (COLAS) to the Supplemental Nutrition Assistance Program (SNAP) income eligibility standards and deductions for the 48 contiguous States and D.C., Alaska, Hawaii, Guam, and U.S. Virgin Islands. SNAP maximum and minimum allotments remain unchanged for each area due to the provisions of the American Recovery and Reinvestment Act of 2009 (ARRA), which raised maximum allotments by 13.6 percent of the June 2008 value of the Thrifty Food Plan (TFP). The Food and Nutrition Service (FNS) anticipates that the maximum and minimum allotments for Alaska and Hawaii will also remain unchanged for FY 2013 due to ARRA. Should adjustments become necessary once Thrifty Food Plan data is released, FNS will issue revised numbers for these areas.

ARRA maintains the maximum allotment of \$668 for a household size of four. In the absence of ARRA, the maximum allotment for a 4-person household would have been \$627 for FY 2013. Thus, ARRA results in an overall increase of \$41 in SNAP benefits, allowing eligible households to purchase more nutritious food.

The shelter cap values increased \$10 to \$469 for the 48 States and D.C. The shelter cap values for Alaska, Hawaii, Guam and the U.S. Virgin Islands also increased. The minimum standard deduction for household sizes 1 through 3 increased to \$149 a month for the 48 States and D.C. Alaska, Hawaii, Guam, and the U.S. Virgin Islands also experienced minimal increases in their standard deduction amounts.

The COLAS are effective as of October 1, 2012. State agencies with questions regarding these adjustments should contact their respective Regional Office representatives. Regional Office staff with questions should contact Angela Kline at Angela.Kline@fns.usda.gov.
